Programme

Following feedback from last year's delegates confirmed lectures include:

Dermoscopy for Intermediates - Dr Tony Downs (Consultant Dermatologist, Exeter Medical)

Cosmetic Procedures in Dermatology - Dr Tamara Griffiths (Consultant Dermatologist, Salford Royal Hospital)

Treatments for Hyperhidrosis - Dr Niall Wilson (Consultant Dermatologist, Royal Liverpool and Broadgreen University Hospital)

Some Surgical Pearls - Dr Liz West (Consultant Dermatologist, Royal Liverpool and Broadgreen University Hospital)

Dermopathology for the Uninitiated - Dr Luisa Motta (Consultant Dermatopathologist, Salford Royal Hospital)

Update on Skin Cancer Treatments - Dr Rachel Wachsmuth (Consultant Dermatologist, Taunton & Somerset NHS Foundation Trust)

Some Blisteringly Challenging Skin Problems - Dr Phil Laws (Consultant Dermatologist, Leeds Teaching Hospitals)

Sentinel Node Biopsy - Mr Gary Ross (Consultant Plastic Surgeon, Manchester)

The Red Face - Dr Tom Lucke (Consultant Dermatologist, Royal Cornwall Hospitals)

Introduced last year, the meeting will also include Q&A sessions with expert panels, alongside clinical case discussions and the opportunity to network with the course chairs and other speakers.
