Clinical Dermatology Update Meeting for Speciality & Associate Specialist DOCTORS

Coombe Abbey WARWICKSHIRE

1st-3rd October 2014

CLINICAL DERMATOLOGY UPDATE

Clinical Dermatology Update Provisional Programme 2014

Venue & Date:
Coombe Abbey, Coventry, 1-3 October 2014

Dear Colleague,

I am delighted to invite you to attend this year's 10th anniversary Clinical Dermatology Update Meeting designed specifically for Speciality & Associate Specialist Doctors working predominantly in Dermatology. As a special one off for our 10th year we have made two important changes to the meeting. Firstly it will be hosted in the wonderful picturesque setting of Coombe Abbey. Secondly we have extended the meeting to cover two nights.

Delegates are invited to arrive on the Wednesday afternoon and if time allows enjoy the facilities of this four star country house hotel nestling within the UK's historical heartland of Warwickshire. We will then have an informal evening meal with delegate presentations of cases that have influenced their practice; followed by a non-threatening quiz.

This then allows us to have an earlier start on the Thursday morning where the meeting will take the usual format. The Thursday evening will be our more formal gala dinner and promises to be a real celebration of our collaboration and collegiality.

The Delegate fee will only rise by a very modest amount and offers superb value for money. I really hope the majority of people will take advantage of the extended two night stay. I would urge you to register early for this meeting as room numbers are limited. The programme is varied, with the return of some of our favourite lecturers and a warm welcome to many new ones.

We continue to offer an early-bird discount rates.

Should you require any further information in the meantime, please do not hesitate to contact the British Association of Dermatologists for any assistance:
